

Peer Support Groups in East Berkshire

We are a **free peer support group** and **wellbeing community** for people affected by **mental health problems, loneliness & social isolation**. Our aim is to **promote community resilience by reducing isolation through peer support and social activities**.

The foundation of the group is based on the 5 Ways to Wellbeing: To **Connect**, **Be Active**, **Take Notice**, **Learn** and **Give Back**.

We put together a timetable of events and activities for members to attend that promote these values. As a FIN member, people are signed up for their local group, however, members are welcome to access all activities across East Berkshire. If you would like to attend an activity in a different area, please contact the area co-ordinator in advance of the day to confirm you will be attending.
